Due to the series' longevity, The Simpsons video games have also spanned across many genres, such as the puzzle game Krusty's Fun House (1992), the sports game Itchy & Scratchy in Miniature Golf Madness (1994) and racing game Road Rage (2001).. The Simpsons is also one of the franchises spotlighted in the toys-to-life video game Lego Dimensions.. The overall idea for a Simpsons skateboard game is perfect I mean, in the early 90's, I looked to Bart as a skateboarder.

One of the Simpsons best gags is Homer skateboarding and tumbling down a cliff side.. The game was developed by The Code Monkeys and published by Fox Interactive and Electronic Arts.. Why not a Simpsons skateboarding game? Well, it's the way this game was executed that doesn't deliver.. It is of no value to fans of either the Simpsons or of skateboarding Nov 26, 2002 But unfortunately the game makes such ham-fisted use of the license that only the most casual of gamers or the most hard-core of The Simpsons fans will be able to enjoy The Simpsons Skateboarding.
